## Care for One Another

*"So then, as often as we have the chance, we should do good to everyone"* Gal 6:10

Friends,

Just a short letter of Hope to share this week.

Lori and I were witness to an incident down by the beach a couple of weeks ago. It involved a young couple that had traveled to Grand Bend from some distance and were in a major disagreement. There were a number of hurtful and cruel words spoken very loudly in this public forum. I became involved in the discussion as we were walking by one of them when asked if I would treat my partner in this fashion. While I was tempted to just walk on by, I was instead moved to stop. My reaction was to attempt to calm the discussion and to ensure that this person was going to be safe. I hadn't thought through what my next actions were going to be.

Shortly thereafter, another person walked up to me, identifying himself as an off duty Peel Police Officer. He asked if I needed help. I said that I was fine and shared the story and that I was concerned about this other party. The situation seemed to have settled some by this time and hopefully all was fine in the end.

Why am I sharing this story with you? I'm sharing because of what this off duty officer said as he walked away. He said "I love how this community cares for one another."

The message of Hope for this week...**Our community cares for one another!**

Grace and peace to you,

**Roger Hyatt**

P.S. Please consider sharing your Hope. You can send us a letter for publication or even just a few of your thoughts to our email [Hyatt.le.rc@gmail.com](mailto:Hyatt.le.rc@gmail.com) or via a phone call at 519-897-8315.

*"Our relationship with God and each other strengthens us, and helps make the world a better place.  
We welcome and include **everyone** into congregational life."*
