HOW GREAT THOU ART (UNTIL THAT DAY) by Matt Redman, Chris Tomlin, Hillary Scott, Taya & friends.

MEDITATION: *May all who seek you rejoice and be glad in you; may those who love your salvation say continually, "Great is the Lord!"* **Psalm 40:16.** Great is an important word. We use it to talk about something of unusually large size: *A great earthquake shook the city.* Or a large number: *A great crowd filled the stadium.* Or unusual power or intensity: *She experienced great pain....* **To Continue Reading AND Listen, Visit Our Facebook Page and Look for a New Meditation Every Wednesday.**

WOW News and Updates by Peter Challen
Western Ontario Waterways Regional Council Representative

VANDALISM IS A GROWING CONCERN

While many of us were miffed because of the recent theft of our Pride Flag (fourth time), we are not alone. Vandalism of United Churches across our region is increasing. Hateful graffiti, verbal and physical assaults, and destruction of property target us because of our beliefs and ministries; evidently, some don't like our inclusive activities, and treating others as we would like to be treated. It has become such a sufficient concern that WOW has prevention and response tips. For more information, go Western Ontario Waterways Regional Council, Congregational Safety.
